

Open Arms to Open '08

Donate and Double Your Good Deed January 2 – 5!

Open 2008 with good cheer and good deeds! Join Oklahoma Blood Institute and The Leukemia and Lymphoma Society of Oklahoma for the ***Open Arms to Open '08*** blood drive, January 2 – 5, 2008.

When you donate at an OBI donor center or mobile blood drive, you can elect to forgo acceptance of a free t-shirt in favor of asking OBI to contribute the cost of your t-shirt to The Leukemia and Lymphoma Society of Oklahoma to underwrite vital patient education programs.

Your participation in ***Open Arms to Open '08*** is like doubling your good deed. As most donors know, blood transfusions are often an essential part of treatment for patients with leukemia, lymphoma, or other diseases. Find a donor center or mobile blood drive near you here on the OBI website or call 1-877-OBI-GIVE.

When you sign in, tell an OBI staff member that you would like to participate in the Open Arms Campaign. You will be asked to sign a card to be displayed at OBI to let others know just how many OBI donors opened their arms to help Leukemia and Lymphoma patients in need.

As always, as a valued OBI blood donor, you will be awarded Members for Life Points for use in our on-line store and receive free health check readings to help you maintain your own good health.
